ABOUT BBBS

Quite simply, we create and support life-changing friendships for children facing adversity by pairing them with a caring, adult mentor. We currently serve over 1,300 children in our area.

When a Little is paired with a Big, great things happen. Last year:

- **80% of Littles improved their grades**
- **100% of Littles graduated from high school**
- **84% of Littles report higher self-esteem**

Most importantly, Littles in the BBBS program report having higher aspirations because of their relationship with their Big. This means that for BBBS Littles, the possibilities are endless and their futures have never been brighter.

WHY BOWL FOR KIDS' SAKE?

Corporate social responsibility can have an important impact on your company. Getting your staff involved with an event like this will allow employees to work together, build camaraderie and feel good about giving back to their community while having a lot of fun.

With over 500 kids currently waiting for a Big in the Greater Kansas City area we need your company's support in order to continue to make a positive difference. Many corporate team builders can be too expensive or too competitive but Summer Bowl for Kids' Sake is easy, fun and free!

HOW IT WORKS:

1 FORM TEAMS OF 6 MEMBERS

- BBBS will create a group for your teams
- Choose your team captains
- Encourage each department to get involved
- The more teams the merrier

2 FUNDRAISE

- Once your participants are registered online they will have a fundraising webpage they can share with their networks to raise funds
- Many corporate teams hold fundraisers at their office: donut sales, dunk tank for the CEO, jeans day, etc.
- Individual Goal: \$200,
Team Goal: \$1,200,
Super Team Goal: \$2,400

IT'S ON!

3 PARTY

- Schedule the bowling party session that works best for your teams
- Enjoy free cosmic bowling, beer, pizza and prizes
- Feel good about supporting the BBBS mission to create and support more life-changing friendships in your community
